

BENEVOLENT CARE PARTNERSHIP PROGRAM

The Living Branches Benevolent Care Fund makes it possible for us to provide services to residents who are no longer able to afford the full cost of their care. The key component for the growth of our benevolent care fund continues to be partnerships with persons and businesses that support our mission.

We would be honored by your support of this ministry which allows us to offer all residents quality care.

LEVELS

Event - \$18,000

Platinum - \$10,000

Gold - \$6,000

Silver - \$3,000

Bronze - \$1,500

BENEFITS

All Benevolent Care Partners receive tickets to the two annual Living Branches events, in addition to being listed on event signage and booklets, the Living Branches website, and bi-annual editions of the Branching Out newsletter.
