THE WILLOWS

**LEADERSHIP CORNER – Jen Derstine, Director**

Happy Fall, everyone! While it was difficult to let go of summer, our autumn weather has been mostly delightful, and the changing leaves are putting on a beautiful show. It is hard to believe that we are already approaching Thanksgiving 2021! We have all endured some trying times and have so many things to be thankful for.

We want to extend a special welcome to our newer residents and their families. We look forward to making new friends and wonderful memories together. I also want to welcome new staff members, including Cathy Nanovic and Amanda Ferrer in our Nursing department, and Sara Hawthorne in Life Enrichment. We will also be welcoming back Aubrey and Annabelle, while they are home from school on their winter break.

May your Thanksgiving be full of peace, love and joy!

“Showing gratitude is one of the simplest yet most powerful things humans can do for each other.”  
- Randy Pausch

**Willows Annual Thanksgiving Project**

Each year, our Willows Resident Council chooses a charity to give to during the month of November. Our 2021 Thanksgiving Project will benefit Mennonite Disaster Service. Collection jars will be located in each dining room through November 27. We will dedicate the donations during the November 28 worship service. Everyone is welcome to participate in this community-wide giving opportunity.

“Mennonite Disaster Service is a volunteer network of Anabaptist churches dedicated to responding to natural and man-made disasters in Canada and the United States. Our aim is to assist the most vulnerable community members, individuals, and families who would not otherwise have the means to recover. MDS volunteers – men and women, youth and adults – provide the skills and labor needed to respond, rebuild and restore in the wake of a disaster. MDS is known for having a collaborative spirit and we work with other groups including faith-based organizations, local recovery committees, and both governmental and non-governmental agencies.”
