MEADOWLARK

THE WILLOWS

LEADERSHIP CORNER

I remember reading the stories of Pooh, Piglet, Eeyore and Tigger to my daughters and Pooh's wise words still resonate with me after all these years. In taking a moment to reflect on the importance of the little things in life, I must admit that its difficult for me to live in the moment. I do try, but I tend to be an over-thinker. I need to remind myself to enjoy what's happening now and live for today!

Sometimes the smallest things, take up the most room in your heart.

-Winnie the Pooh

I am confident that if you found the oldest, wisest person you know and asked them what really mattered the most in their lives, they would likely tell you about memories made with their husband, wife and family.

My message for June is about taking the time to truly appreciate all the "small things". Here are some of mine... the pleasure of the first sip of coffee in the morning, the sighting of the first peony that blooms, the sunrise that begins every new day, the smell of homemade bread baking, the laughter of a child, the taste of dark chocolate, being greeted at the end of a long day by my boisterous puppy, reading a great historical fiction novel, taking a family walk, seeing my daughters laugh together and my husband cooking dinner... I hope you have a happy June and find time to cherish the "small things".

Father’s Day Prayer

God our Father,
We give you thanks and praise for fathers young and old.
We pray for young fathers, newly embracing their vocation;
may they find courage and perseverance
to balance work, family and faith in joy and sacrifice.
We pray for fathers around the world whose children are lost or suffering;
may they know that the God of compassion walks with them in their sorrow.
We pray for men who are not fathers
but still mentor and guide us with fatherly love and advice.
We remember fathers, grandfathers and great grandfathers
who are no longer with us but who live forever in our memory
and nourish us with their love. Amen

CARE COORDINATOR CORNER ~ Kathy Cassel

- Please remember to sign out if you are leaving the building. It’s important that we know everyone’s whereabouts in the event of an emergency. There are sign-out sheets located in the lobby of both North and South wings.
- Anyone visiting the facility or taking a resident out of the facility is asked to screen at the kiosk in the South Wing lobby. This protects you, other residents and staff.
- If you self-administer any medications please remember to lock your door when you are not in your room. This includes over-the-counter medications. It is required that we have a doctor’s order for anything you may be taking. This includes vitamins, supplements and creams.
- With the warmer weather, we encourage you to enjoy time outside; just remember to drink plenty of water and apply sunscreen. Staff can help you apply sunscreen if assistance is needed.
