General Announcements and Reminders:

 Got a green thumb? Enjoy spending time outdoors? We are in the early planning stages for our patio gardens and would love to have you safely participate! We will look to plant the raised beds of strawberries and flowers, which will need planting, watering, weeding and general tending. Many hands make light work!! Talk to Tina if you might be interested!

 Living U, our lifelong learning institute begins the spring semester this month with many classes being offered at both the Dock Woods and Souderton Mennonite Homes campuses. It is not too late to register for many of the classes available! Topics include: leopard spots, spiritual genealogy, William Penn and our government, Civil War – any more! Best of all, these classes are free to you, and we provide transportation. If you would like more information, stop and talk to Tina.

“Welcome Dissonance” ~ By Pastor Tami Good

*Make me a channel of your peace. Where there is hatred, let me bring your love.
Where there is injury, your pardon, Lord. And where there’s doubt, true faith in You.*

Living in a world of urgency and immediate gratification, too often we retreat into our own silos and hide from those who disagree with us. We put up walls around us and focus on those voices who agree with us fully. In our hearts we shy away from pain and disagreement, wanting to move from Palm Sunday right into Easter.

However, Jesus asks us to face that which we do not want to see - Death. During this Lenten season we will be challenged to **“Dwell in Dissonance”** and sit in the tension of what is and what we long to see. We will experience Christ’s Holy Week, inviting us to linger in the intensity of Jesus’ final week on earth. By focusing on John’s account, we will reflect on who Jesus was and is, and how his disciples might make sense of His life and death. So, join us as we say, “Welcome Dissonance”. Come and assist us to the cross, trusting in God’s mighty power right here, right now.

As you prepare for the Lenten season keep these dates open on your calendar and join us on the journey:

Sunday, March 29 ~ Palm Sunday Service...Enter Jerusalem shouting “Hosanna!”

Thursday, April 2 ~ Maundy Thursday Services on all three campuses

Sunday, April 5 ~ Easter Sunday Worship Service...Christ has risen! He has risen indeed!

*Make me a channel of your peace. Where there’s despair in life, let me bring hope.
Where there is darkness, only light. And where there’s sadness, ever joy.*

From the Fund Development Department: Memorial Gifts

Memorial gifts are one of the most common donations we receive for the benevolent care ministry. A memorial gift is a special way to honor a Living Branches resident, family member, friend or co-worker who has passed away. Gifts can be given to Living Branches Benevolent Care Fund, Sharing Fund, Agape Fund or any one of our other funds.

Checks should be made out to Living Branches Foundation. Please enclose a simple note that tells us which fund you prefer, and who it is in memory of. The family of the deceased will get a report monthly from us letting them know who has given in memory of their loved one.

Call Rose at 215-368-4438, ext. 44305 if you have questions or need more information about memorial gifts.
