Community Heartbeats - Pastoral Care Team

Just over a month ago, the beloved and iconic country musician and philanthropist, Dolly Parton, passed away at the age of 80. She was not only a prolific songwriter, she had a kind of wit and wisdom that reflected her inner beauty and grace. Dolly Parton is quoted as saying, “We cannot direct the wind, but we can adjust the sails.” What a great reminder of how we can respond to life’s circumstances, however challenging or adverse.

Dolly made her film debut in the 1980 hit movie, “Nine to Five,” in the role of secretary Doralee Rhodes. She also wrote and recorded the movie’s theme song, “9 to 5,” which won many awards including two Grammy awards. The song laments about “barely getting by, all taking and no giving; they just use your mind and they never give you credit...it’s enough to drive you crazy if you let it!”

Contrast these lyrics with the words of Psalm 121: “The One who watches over you will not slumber...he never slumbers or sleeps...The Lord keeps watch over you as you come and go, both now and forever.” Our God does not simply work 9 to 5. Our God is *always* present, *always* ready to receive us, *always* watching over us. This is God’s nature and pleasure -- whether or not we give God the credit. What a way to make a living!

The winds will blow this way and that. But the love of God is steadfast, active, and trustworthy. May we adjust our sails to the breath of God, allowing God to direct us, empower us, and sustain us every hour of every day.
